

第二十二届全国凝聚态理论与统计物理学术会议

The 22th National Conference on Condensed Matter Theory and Statistical Physics

Conference Announcement

The 22nd National Conference on Condensed Matter Theory and Statistical Physics

November 7 to November 10, 2025, Guangzhou, China

We are pleased to announce **The 22nd National Conference on Condensed Matter Theory and Statistical Physics**, hosted by the Division of Condensed Matter Theory and Statistical Physics of the Chinese Physical Society, the School of Physics of South China Normal University, the School of Physics of Sun Yat-sen University, and the Guangdong Physical Society, which will take place on from **November 7 to November 10, 2025** in Guangzhou, China. The conference will feature plenary keynote speeches, cutting-edge thematic discussions, invited talks in parallel sessions, and poster presentations, aiming to promote academic exchange on recent advances in the fields of condensed matter theory and statistical physics.

Important Dates

- Abstract Submission Deadline: **October 15**
- Registration Deadline: **November 5**

Website URL: <https://conferences.koushare.com/CMTS22>

Conference Fees:

Category	Early Bird	Standard
Students	RMB 800	RMB 1000
Employees/Postdoctoral Researchers	RMB 1500	RMB 2000

Recommended Hotels:

- Hyatt Regency Zengcheng, Guangzhou (Conference Venue)
- Hampton by Hilton Guangzhou Xintang High-Speed Railway Station

Contact Information

For inquiries, please contact the Conference Secretariat: jiangx@scnu.edu.cn

We look forward to your participation and contributions to **The 22nd National Conference on Condensed Matter Theory and Statistical Physics**. Your support will help make this event a valuable and inspiring academic exchange for all attendees.
